Sorry I am slow getting back to you on this. Anyway, I think it appropriate to extend your response a few days. You now have until June 18, 2004 to make your submittal. Please call if you have questions.

Daron:

We received your letter dated April 23, 2004 titled "Findings for the HCI Groundwater Model Report in PHC, Canyon Fuel Company, LLC, Skyline Mine, C/007/005, #1871, Outgoing File" on April 26, 2004. The due date for a response was listed as today, June 1, 2004. Since April 26, we have been working with HCI on complying with the 8 eight items requested. However, HCI and Skyline have not yet completed the report containing the information requested. Skyline respectfully requests an June 18, 2004 extension to the deadline for submittal of this information.

Please give me a call if you have any questions. I am not certain if you will need to respond to this request or if Wayne Hedberg will handle this issue.

Chris Hansen
